

National Cowpea Improvement Association Poster Award Southern Region of the American Society for Horticultural Sciences

Donor: Funded by the National Cowpea Improvement Association

Background In appreciation of the support the Southern Region ASHS has provided over the years the National Cowpea Improvement Association decided to donate all of the funds in the group's bank account to the support the Poster Award. The donated money was used as "seed money" to initiate the Poster Award, and it was hoped that another organization or individual would provide support to continue the award.

Award: Certificates and monetary awards of \$100 for an undergraduate student poster and for a graduate student poster.

Objectives: To recognize outstanding poster presentations based on original research conducted by undergraduate and graduate students.

Eligibility:

- 1) Bachelors, Masters or Doctoral student.
- 2) Poster is judged on appearance, organization, originality and merit, and student's poise and knowledge of subject matter during interview by judge
